

COVID-19 Employer FAQs

Issued: March 23, 2020

This policy statement is intended to provide general guidance regarding actions taken by Humana in response to the COVID-19 public health emergency. Please refer to applicable Humana policy (or policies) for additional information. All other coverage rules will continue to apply. Humana reserves the right to make changes to its policy in order to comply with applicable law and to further respond to the COVID-19 public health emergency. The policy described herein will remain in place until May 31st or for the duration of the effective public health emergency period, whichever is sooner.

General Questions

Q. What is Humana's course of action regarding COVID-19?

A. Humana has announced the following resources for our employers and members in response to COVID- 19:

- Waived COVID- 19 testing costs
- Waived telemedicine costs for all urgent care needs for next 90 days
- Early prescription refills allowed for the next 30 days
- Member support line is available

Q. What type of groups do the four actions identified in the bullets above cover and can self-funded groups opt out of Humana's COVID-19 provisions?

A. These provisions apply to all Humana plans and funding types. The federal Families First Coronavirus Response Act (HR 6201) that was signed into law last week states that all group health plans including self-funded and fully insured health plans must now cover the COVID-19 tests and related office visits (in-person or telehealth, urgent care or emergency room care) without cost sharing (including deductibles, copayments, and coinsurance), prior authorization, or other medical management requirements for their employees and covered dependents. While the new Families First Coronavirus Response Act (HR 6201) applies to COVID related telemedicine, most ASO customers have elected to include broad telemedicine coverage to protect their employees seeking care, in a way that supports the health system. Language supporting broader telemedicine coverage is included in pending Congressional legislation.

A. If premiums have been paid for the full month, the employee coverage will continue for the entire month.

Q. Will employees who are laid off temporarily as a result of the COVID-19 pandemic be allowed to rejoin the fully insured plan without a waiting period when they return to work?

A. Yes. Humana will waive the waiting period for employees who are laid off temporarily as a result of COVID-19. New hires will be subject to standard waiting periods.

Coverage questions: Billing

Q. Will my rates/premium be subject to change if enrollment drops by more than 10% as a result of the COVID-19 pandemic?

A. No. If the loss of enrollment is a result of the COVID-19 situation, rates and premiums will not be adjusted until your next renewal date.

Q. As a result of the COVID-19 pandemic, will Humana's renewal rate actions or quote responses be delayed or impacted?

A. No. We do not anticipate delays. We will continue to meet rate renewals and/or quote expectations in a timely manner.

Q. Will Humana allow a premium payment grace period?

A. Yes. Humana will continue to offer a 30-day grace period for premium payments, or applicable state law.

Q. Will Humana allow groups to delay their open enrollment beyond their normal renewal date timing?

A. Yes. To account for the significant disruption caused by the COVID-19 pandemic, Humana will continue to allow employers an additional 30 days from their effective date to complete open enrollment activities.

Q. (100+ employees, self-funded group) If my self-funded group lays off a large portion of our workforce due to the COVID-19 outbreak, will we need to change to fully insured funding?

A. If the layoffs are temporary in response to the COVID-19 outbreak, you will not be required to change from self-funded to fully insured at this time.
